Aplikacje Internetowe 1

Laboratorium 2: CSS Zen Garden

Data laboratorium:	24.10.2021
Termin sprawozdania:	24.10.2021
Imię i nazwisko:	Maciej Lewicki

Wprowadzenie

Dzisiejsze zadanie polegało na stworzenie prostej strony, najpierw używając samego HTML, a następnie dwóch stylów CSS. W pierwszym stylu jest zawarty jedynie układ strony, drugi styl zawiera bjutifikacje.

Strona bez stylów CSS

This is a header. Very pretty...

- Lorem
- · Ipsum?
- A million ****ing diamonds!
- · Butterscotch!

The CONTENT

A million ****ing diamonds! In the mid '90s, Tobias formed a folk music band with Lindsay and Maebe Crayne acqusition, which was part of the Squimm Group. Their motto was simple: We keep you alive.

eaking of settling, how's Ann? Look at us, crying like a bunch of girls on the last day of camp. I'M A M. WON'T kidnap and kill you.

Oh by the way, Doctor said no kissing her on the face for one week. I was like make it two weeks, see if I Yeah, I invited her. You said you wanted to spend time some with her. You said I was being an Ann hog. Wel

A million ****ing diamonds! In the mid '90s, Tobias formed a folk music band with Lindsay and Maebe which he called Dr. Funke's 100 Percent Natural Good Time Family Band Solution. The group was underwritten by the Natural Food Life Company, a division of Chem-Grow, an Allen Crayne acquisition, which was part of the Squimm Group. Their motto was simple: We keep you alive.

Speaking of settling, how's Ann? Look at us, crying like a bunch of girls on the last day of camp. I'M A MONSTER!! Don't leave your Uncle T-bag hanging. So, what do you say? We got a basket full of father-son fun here. What's Rama Sutra oil? Maybe it's not for us. A Colombian cartel that WON'T kidnap and kill you.

Oh by the way, Doctor said no kissing her on the face for one week. I was like make it two weeks, see if I care! I know what an erection feels like, Michael. No, it's the opposite. It's like my heart is getting hard. It's a jetpack, Michael. What could possibly go wrong?

Butterscotch! Want a lick? He… she… what's the difference? Oh hear, hear. In the dark, it all locks the same. Early. Caw ca caw, caw ca caw, caw ca caw, caw ca caw. I made a huge tinu mierzke.

I think that's one of Mom's little fibs, you know, like I'll sacrifice anything for my children. Or it could be your colon. I'd want to get in there and find some answers. Excuse me, do these effectively hide my thunder? I know, I just call her Annabelle cause she's shaped like a…she's the belle of the ball!

Yeah, I invited her. You said you wanted to spend time some with her. You said I was being

Odmienne stylowanie list

W tej sekcji należy porównać ostylowanie list w obu wariantach CSS. 1 punkt.

Odmienne stylowanie nagłówków i stopek

W tej sekcji należy porównać ostylowanie nagłówków (header) i stopek (footer) w obu wariantach CSS. 1 punkt.

Nagłówek w stylu pierwszym nie przesuwa sie razem z resztą strony, w przeciwieństwie do drugiego.

Responsywność obydwu stron

W tej sekcji należy zaprezentować responsywność strony w obu wariantach CSS. 1 punkt.

Strony w podobny sposób adaptują się do mniejszego ekranu, zmieniając układ strony do pionowej "tabeli".

Strona pierwsza zmienia swój styl przy 1300px szerokosci ekranu, z kolei druga przy 768px

Ilustracje w tle

W tej sekcji należy porównać zastosowanie ilustracji w tle dla obu wariantów CSS. 1 punkt.

Pierwsza strona ma statyczną ilustrację, z kolei druga scroluje się razem z resztą strony. Są to również różne ilustracje...

Wizualne obramowania poszczególnych sekcji

W tej sekcji należy porównać ostylowanie wizualnych obramowań poszczególnych sekcji strony, w obu wariantach CSS. 1 punkt.

Pierwsza strona ma dodatkowe obramowanie odróżniające sekcjkę od tła.

Linki i uwagi

W tej sekcji należy umieścić link do zarejestrowanej domeny (działający dowolny kod) oraz dowolne uwagi.
